DEDICATION

Because of his willingness to
help everyone, his pleasing per-
sonality, and his high sense of
duty, we, the Senior Class of 1940,
dedicate the first volume of "The
Cavalier" to our principal,
Mr. Ivan Butterworth.

PRINCIPAL

OLD BUILDING

Brief

HISTORY OF DINWIDDIE HIGH SCHOOL

Records show that the first school building was built on the present school grounds in 1882. This one room structure was built at a cost of \$60.00 by Mr. R. E. Boisseau. Miss Bettie Boisseau was the first teacher of this school. In 1887-88, another room was added. Mr. Roger P. Atkinson followed Miss Bettie Boisseau as teacher. Some of the earlier teachers associated with the life of the school were: Misses Sarah Pritchett, Fannie Diggs, Lucie Cleaton, Alma Harris, and Laura Harris.

In 1906-07, the first high classes were offered and Mr. W. H. Robertson was the principal. An extra room was added in front of the old structure to take care of the new high school classes. Finally, with the growth in enrollment, the length of the school term was increased to eight months, and agitation was in progress for a new structure. The old main part of the two story high school building was built from August 1909 until January 1910, at which time the school moved into its new quarters. This was while Mr. M. N. Walker was principal. Around this time Mrs. Effie Chappell began her long and faithful service as instructor in the school which lasted until 1936.

During this period, it was a three year high school. The session of 1913-14 is remembered as the first time that the school became a four year high school. Mr. J. H. Meek was the principal then; however, the school was not accredited by the State until the end of the 1918 session while Mr. T. G. Pullen was principal. It was during this session that the school first started the nine month's term. During the 1917-18 session, the school was designated to become a Smith-Hughes School. The first offerings in this phase of the school curriculum was begun during the session of 1918-19, on a part-time basis. To make room for these new departments, an addition was added to the old high school building. This part of the building was available in time for the 1919-20 session while Mr. Geo. L. Walker was principal.

The school has had the following principals since Mr. Geo. L. Walker left in 1921: Mr. L. B. Connelly, Jr., Mr. W. L. Throckmorton, Mr. J. Paul Glick, and Mr. Ivan Butterworth. Mr. R. D. Temple, a School Board member from Rowanty District should be remembered for his untiring efforts towards aiding the school and its growth.

Mr. W. A. Scarborough became Superintendent of Dinwiddie County Schools in 1923. Since then many improvements have been made to the school and its plant. It was through his initiative and farsightedness that made the building of our present structure possible, along with the cooperation of the other Dinwiddie County authorities.

Our new building was built by the Laburnum Corporation of Richmond, Virginia, at a cost of \$136,000.00. Forty-five per cent of the cost of the new plant was borne by the Public Works Administration and the remainder by Dinwiddie County. Work was started on the new structure on December 27, 1938. On May 5, 1939, the corner-stone of the new building was laid, with appropriate ceremonies, by the local Masonic Order. The first school day was held in the new school on November 6, 1939. The school is to be officially dedicated during the final exercises of the school to be held on the night of June 7, 1940.

The history of the school has been one of continued growth in enrollment. Its offerings and influence in the community and county have also been most beneficial.

THE CAVALIER 1940

The 1940 Class History

Looking back to September, 1929 we get a glimpse of nineteen youngsters tearfully leaving their mothers to step into another world, new and full of experiences for them.

Thus we began our school life in a small one room building known to us as the "Chicken Coop", and under the guidance and direction of Miss Mary Hiscock we began our reading, writing and arithmetic.

When we had completed the first and second grades, we left the "Chicken Coop" and proudly marched over to the high school building where we again took up our studies.

As we advanced grade by grade we were minus a few of our classmates, but we soon had others to fill the gaps.

Through the splendid guidance of Miss Adelaide Hargrave, Miss Virginia Dix, Miss Maud Hawkins, Miss Mary Richardson (as we knew them then) Miss Virgie Hargrave, and Mrs. Fraser, five members of the original class and twelve other members were awarded their seventh grade certificates.

In September 1936 we took another step toward our future. This was the year we entered high school and began our life as freshmen.

Since we were in high school we had the opportunity to join such clubs as the F. F. A., Latin and Home Economics and also the Athletic Association.

The year 1938-'39 found us very important Juniors and ready to serve our school in any way that we could, but as dignified Seniors the following year we began to realize that we would soon have to face a new world.

In 1940 we had the distinctive honor of being the last Seniors to leave the old school and the first Seniors to enter the new building.

With only four members of the class that started out in 1929, but seventeen new ones, we have reached a dividing line in our lives and we realize that we are facing a new world and leaving our past far behind.

THE CAVALIER 1940

CLASS POEM

"Sermons in Stones"

The Happening

In twilight dim, by the sounding sea,
I wandered alone through the fog.
There I saw, as I peered through the gray,
Some driftwood caught by a fallen log.

I knelt to free the drifted wood,
And thought, "Is life this way?
Must we be caught and then held firm,
To never more reach the bay?"

The driftwood floated once again,
Upon the sounding sea.
One day it struck a jagged rock,
Here reached its destiny.

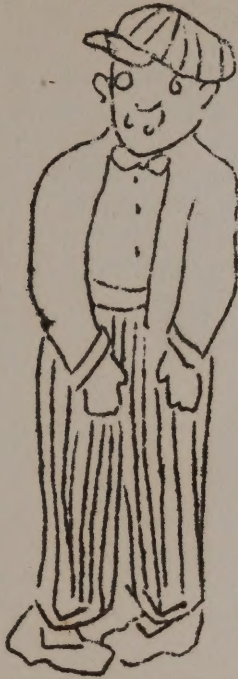

After Thought

Will my classmates and I drift, catch,
And lie until some gentle hand
Comes to free us from the snare
That we may move ere again we land?

THE CAVALIER 1940

RESUME OF GIRLS' BASKETBALL SEASON

The season of 1939-40 was one of great success for the girls of Dinwiddie. The team won eighteen of the twenty games played and defeated some outstanding teams in Southside Virginia such as Petersburg, Amelia, Lawrenceville, and Waverly.

The Cavaliers again won the Championship of Dinwiddie County and were undefeated in county competition. The Dinwiddians have won the championship of the county for many years past and probably could claim the championship of Southside Virginia in schools of its class.

Miss Margaret Rose of the faculty, coached the team, and was greatly responsible for the fine season. The team was featured by fine passwork, shooting and superb guarding. The girls seldom extended themselves although they probably were at their peak in the first Petersburg and in the second Sussex games.

Mary Elizabeth Butterworth had a wonderful season at forward and her shooting was a high-light of the season. She was ably assisted at forward by Eliza Beck, Ann Hauser, and Dorothy Williams, all of whom had their good nights. At guard, there was little to choose between Olive Beth Wray, Charlotte Ritchie, and Captain Kate Rose. They were very alert and aggressive and always kept the opponents on the small end of the score. Other outstanding members of the squad were Patsy Scott, Marguerite Sizemore, Dorothy Scarborough, Beverly Barrow, Caroline Goode, and Marjorie Clarke.

Although three letterman from the squad will be lost by graduation this year, another excellent season is expected in 1940-41.

THE CAVALIER 1940

RESUME OF BOYS' BASKETBALL SEASON 1939-40

While the Cavaliers did not win the county championship, they gave a good account of themselves and were able to break even in the Dinwiddie County League. The team started out with five lettermen: Irvin Carraway, Luther Jones, Thomas Rainey, Cecil Lewis, and Harold Dix, all having had a year's experience. Although the team lost more games than it won, there were several very close and fast games played. Toward the latter part of the season the team was handicapped by the loss of some of its men and was unable to place the same team on the floor for any length of time.

Some of the better games played by the Cavaliers were against Lawrenceville, Amelia, McKenney, and Darvills. Mr. Doyle developed several of the players as the season advanced and Captain Carraway, Scott Clarke, and Bo Jones were greatly improved ball players over last year.

Interest in basketball is on the increase with the Dinwiddie boys and the younger boys are practicing regularly and have done so, even into April, in hopes of putting out a championship team in 1940-41. The Freshman Class holds much future material and a revival in interest and success is definitely assured.

The following made up the 1939-40 squad and those with stars by their names received monograms at the end of the season:

Forwards:--Luther Jones*, Scott Clarke*, Cecil Lewis, Harold Dix*, Geo. Wray, Ernest Ulrickson.

Centers:--Captain Irvin Carraway*, Shirley Temple*, Earl Fisher.

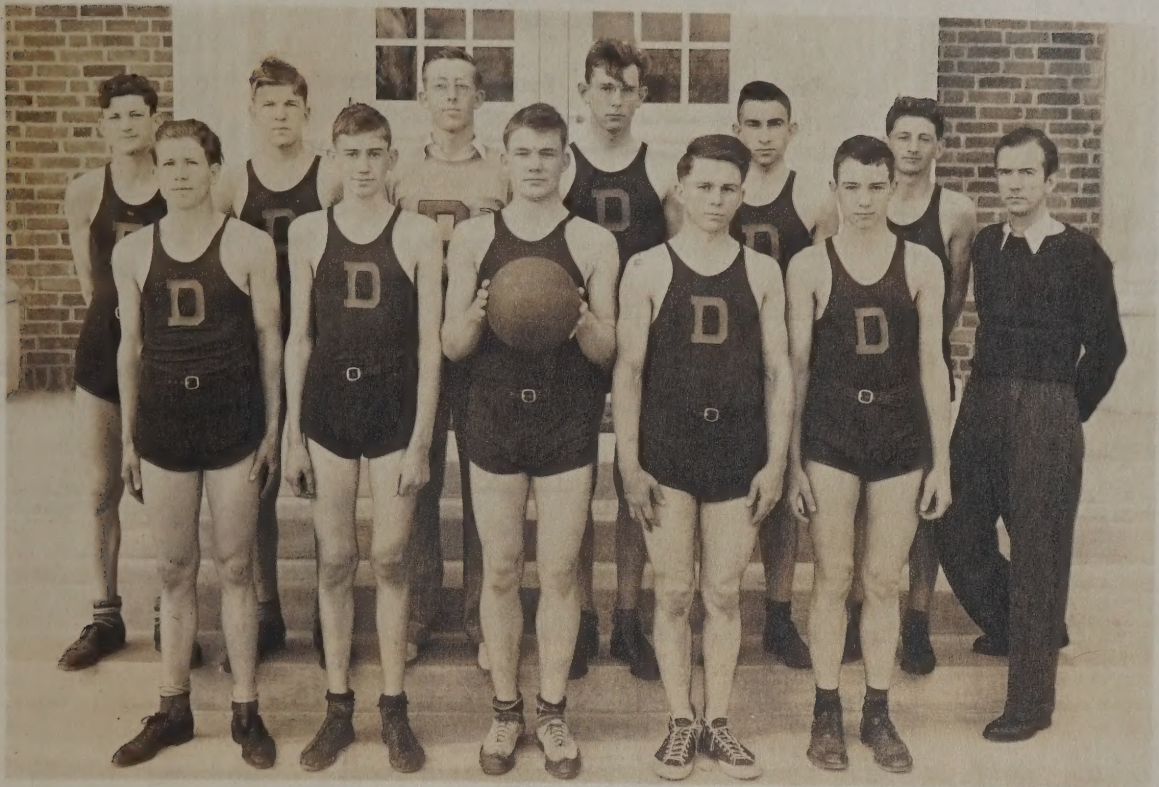

Guards:---Thomas Rainey*, Kenneth Thompson*, Billy Bolte*, Melvin Goodwyn*, L. L. Meredith.

The season started with six old members returning to the squad, five were lettermen. We expect to make it hot for our opponents this year with "Frog" Fisher and George Howard Wray on the pitching staff, Rush Ferguson, Kenneth Thompson, Francis Lewis, J. S. Clarke, in the infield; Shirley Temple, catcher, Jimmie Lee, Clyde Carraway, "Bo" Jones, and Thomas Young in the outfield.

The lettermen are: "Frog" Fisher, George Howard Wray, J. S. Clarke, Kenneth Thompson and Shirley Temple. We have much green material this year, but hope for a successful season.

Girls' Softball

Coach-----Mrs. Ercelle Manson
 Manager-----Mary Frances Cloaton
 Captain-----Charlotte Ritchie

Softball has been a sport in Dinwiddie High for the past three years. In 1939 a Girls' Softball League was formed in Dinwiddie County. Since this League was organized the Dinwiddie girls have kept the championship in their possession. The prospects this year are very favorable. During these two years the Dinwiddie Cavaliers lost only two games, both to Hopewell by close scores.

Among the returning lettermen of the 1939 championship team are: Olive Beth Wray, pitcher, Charlotte Ritchie, third base, Margaret Hines, first base, Muriel Moody, Short stop, Elizabeth Carraway, center field, Louise Welton, right field.

The following make up the team:
